Subject: EM Survey and Excavation Limits
Attachments: EM_survey_excav_limits.pdf

Joyce & Curt,

Please find attached our most recent data regarding surveyed excavation limits overlaid on the EM contours. The survey was as of last Saturday and some additional excavation has been ongoing in Phase 3 and 2B. Please let me know if you have any questions or concerns. Also we are preparing a log of the test pits along with numbered figures for reference and anticipate it being completed in the next two weeks.

Thanks TJK
